THE NATURE

What we do:

- Recycling paper, glass, batteries, cans etc.
- Operating a 'switch off' policy: to turn off all the devices when not in use.
- Reducing our usage of harmful cleaning chemicals and replacing these with eco-friendly products wherever possible.
- Minimizing the number of printed materials and reusing them at every opportunity.
- Using reusable Key card activated power in all guest rooms.
- All guest information is on your TV screens to reduce printing.
- Energy efficient light bulbs are installed wherever possible.
- Dispensers are used in bathrooms to reduce the waste.
 - All glass and bottles are recycled.

We will continue:

- Raising awareness of sustainable development.
- Monitor our energy consumption electricity and water.

We are working on:

- Reducing energy consumption.
- Using more organic products.
 - Reducing water use.

You can help us in achieving our goals by:

- Turning off lights when not needed.
- Turning off the television when not watched.
 - Turning off taps when brushing teeth.
- Limiting the use of air-conditioning or heating to necessary level.
- Another option is to change your linen and bath towels when you let us know to changed them.
